2. The remarks accompanying the amendment indicated that previously withdrawn claims 18-29 had been amended to include all the limitations of elected claim 1 but inadvertently failed to so amend them. Since claim 1 was found allowable the restriction out of claims 18-29 has been withdrawn in order to make an examiner's amendment for the desired amendment.

After " core" in: claim 18, line 7; claim 26, line 11 and claim 28, line 8 - - - , the buffer assembly guiding the wave front from the pulse generator toward the fluid - - - has been inserted.

4. The above change was made to make the claim language consistent with Applicant's remarks accompanying the amendment filed Nov. 17, 2005 and to better comply with 35 U.S.C. 121 since it indicated that previously withdrawn claims were to

be amended to include all the limitations of now allowed elected claim 1 but inadvertently failed to so amend them.

5. Claims 1-29 have been allowed.
